Over **180 HOSTED BUYERS** from **34 COUNTRIES**

NEW BUYERS EVERY YEAR!

Conventa is one of the rare trade shows that pledges to bring a minimum of **70% of new hosted buyers** every year. This year, the percentage is **81%**.

The last day to register is

JANUARY 27, 2025, marking the start of online meeting scheduling.

WHY IS CONVENTA A MUST-ATTEND EVENT?

Since its first edition, Conventa has outgrown the framework of a classic business tradeshow, becoming the key meeting point for event organisers in New Europe. From the outset, we have kept a simple promise - to bring you the best-hosted buyers to Ljubljana every year and give you the chance to meet them in a relaxed and friendly way. Conventa is a PEOPLE2PEOPLE event at its core, and we build on this promise every year.

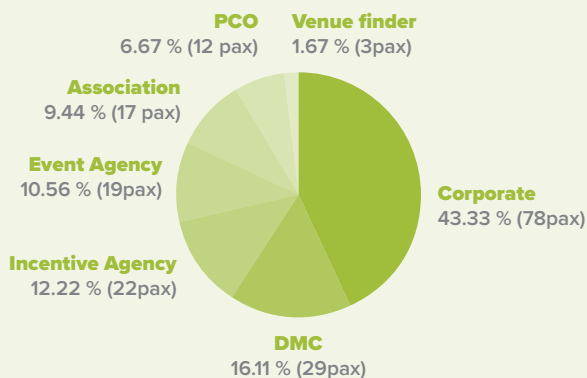

DATABASE OF HOSTED BUYERS

Conventa is the only trade show that guarantees exhibitors get a complete database of participating hosted buyers in line with the European GDPR regulations. Exhibitors thus have more opportunities for additional conversion after the show.
